New Director of YWCA Child Care Center

The YWCA of White Plains and Central Westchester welcomes Carol Robinson, as its new Director of the Child Care Center. When asked what motivated Carol to this position Ms. Robinson said, “It began when I had my own child, and loved being a mom.” Carol has a deep love for children and a passion for early childhood education. Graduating with a Masters in early childhood education from Bank Street College, Ms. Robinson enters the organization with extensive experience in the childcare and development field.

Through her vast knowledge of early childhood programs, and her years of serving as the Infant/Toddler Specialist for the Child Care Council of Westchester Inc., Ms. Robinson has provided a wide array of support programs for many centers in the areas of curriculum, staff development, technical assistance, and business management. Prior to the Council, Ms. Robinson was the program coordinator with Bright Horizons Family Solutions, Inc. The YWCA is proud and delighted to welcome her on board. Ms. Robinson, a native of Jamaica, and a dynamic and highly recommended professional succeeds Carol Dubiel who retired after leading the program at the YWCA for 19 years.

The YWCA Child Care Center of White Plains care giving philosophy is based on our knowledge of how children develop and learn. Our staff strives to create safe, nurturing, child centered environments that are age appropriate for children 8 weeks to 5 years old. Our educational philosophy reflects the mission of the YWCA, which encourages familiarity with and respect for all cultures. The Child Care Center, situated in a wing of the YWCA Activities

Building, offers a wide range of recreational opportunities for children. Enrichment activities such as music, nature, and participation in other classes at the YWCA like gymnastics and swimming are incorporated into the Child Care Program.

For further information about our Child Care Center please contact L. Danielle Cylich, Director of Development.
